DECISION  
ON PETITION

This is a decision on the petition under 37 CFR 1.137(b), filed September 19, 2005, to revive the above-identified application.

This application became abandoned for failure to timely pay the issue fee and publication fee and submit corrected formal drawings within three (3) months of the mailing of the August 16, 2004 Notice of Allowance and Fee(s) Due and Notice of Allowability, respectively. Accordingly, this application became abandoned on November 17, 2004. A Notice of Abandonment was mailed on March 23, 2005.

Applicant has submitted a proper reply in the form of corrected formal drawings, the issue fee, the publication fee and a completed PTOL-85, an acceptable statement of the unintentional nature of the delay in responding to the August 16, 2004 Notice of Allowance and Fee(s) Due, and the petition fee.

The petition is **granted**.

The revocation/power of attorney/ change of correspondence address document will not be entered and processed at this time because (1) petitioner has not provided evidence that MatrixOne, Inc. is the owner of the invention at issue ( the copy of the assignment from Centor Software Corporation to MatrixOne, Inc. does not establish what rights Centor Software

possessed) and (2) even if MatrixOne, Inc. Had been shown to be the owner of the invention at issue, it is not clear that Gary D. Hall has authority to bind MatrixOne, Inc. A courtesy copy of this decision will be mailed to the address listed on the petition.

This application is being forwarded to Publishing Division for processing into a patent.

Telephone inquiries concerning this matter may be directed to the undersigned at (571) 272-3230.
